

A Menu for Everyone

The selection of restaurants in the Lake Norman area offers plenty of dining options, and the number of appetizing choices continues to grow. You will find everything from a traditional, old time soda shop serving grilled burgers to upscale eateries showcasing memorable regional specialties.

Great Places to Eat

continued from page 13

In addition to longstanding fish camps that were the norm when the lake was a weekend getaway, diners can now find the cuisine of many cultures. Menus featuring Mexican, Latin American, Caribbean, Japanese, Chinese, Thai, Italian, Greek, Irish and Indian join all manner of American cuisine.

The waters of the lake inspire relaxing and fun-filled times, and that mood carries over into many restaurants. More often than not, diners are casually dressed, children's favorites are offered and prices are affordable. Many places also have outdoor seating, so you can enjoy your meal and the fresh air when the weather is favorable. Bon Appétit!
